

THANK YOU!

The **10th Annual Wild Horse Ministries Benefit Weekend** was a great success! We want to thank all those who attended, donated items, purchased items, prepped food and who helped in any manner whether it was thru physical labor, financial help or the power of prayer! All proceeds from the weekend will help tremendously in the efforts of the Wild Horse Ministries. We also want to say a thank you to all the radio stations, newspapers, and businesses who help promote the event this year. It takes a joint effort and a host of dedicated individuals to continue this from year to year. **Thank You and May God Richly Bless each of you!**

During the 10th Annual WHM Benefit Weekend, two special people were acknowledged for their individual efforts. Mr. Carl Vickers was presented with a handmade horseshoe cross in honor of being the “Chief Cook” for the WHM Benefit Weekend. And Mr. W.B. “Bo” McCartney, Sr., 89 years old, was presented with a handmade belt buckle in honor of attending and completing the trail ride for all 10 years of the WHM Benefit Weekend.

Please continue to pray for Paul, Joanna, Lenora & Dan Daily and the Wild Horse Ministries Team as they go out and work to Round Up the Lost Strays for the Lord! They have many miles to travel this year and numerous demonstrations scheduled.
